

## Message from the Careers Team

This term we have been faced with another lockdown, moving our Careers provision online once again. We have met with Year 11 students and parents on Microsoft Teams about their post 16 options and also with Year 13 students looking for apprenticeships. We have hosted online events and presentations for students and parents, as well as the first virtual Employer Breakfast meeting! Year 13 students have also been receiving their university offers.

## Employer Engagement Success Story

Congratulations to Sandwell Academy Alumni, Surjun Kaila, who has recently started as an Apprentice Commercial Clerk at VINCI Facilities

## Employer Presentations
